## Truth Matters

As attorneys who have practiced in Central Wisconsin for over 60 years combined, we are pleased to endorse Jake Brunette for Clark County Circuit Court Branch 2 Judge. Jake and his wife Lyndsey Boon Brunette, who is the sitting judge in Branch 1 of the Clark County Circuit Court, are tremendous assets to the county and the legal system.

While Jake has chosen to remain positive in his campaign, Jake's opponent and supporters focus on baseless suggestions that having husband and wife judges is problematic. This is a non-issue and full of falsehoods. It distracts and confuses voters.

Jake and Lyndsey held positions of high public trust at the same time. They have been serving Clark County without issue since 2010 including when Lyndsey served as Clark County District Attorney while Jake served as Clark County Corporation Counsel. They did so with integrity, without bias, and maintained confidentiality. Husband and wife judges have served at the same time in the same county before. As judges, Jake and Lyndsey would have separate courtrooms handling separate cases. Judges are state salaried officials and are paid the same regardless if they are assigned to a case from another county. There is no additional cost to the county or state if a neighboring judge assists or is assigned a case. Officers are NOT driving out of county for night or weekend warrants. They are handled by phone and email and by the current judge, even when she is on vacation. Video court hearings allow for more flexibility for judges and the public. We aren't aware of any issues of Judge Lyndsey Boon Brunette not being available and would expect the same if Jake is elected.

The foundational problem with the innuendo and falsehoods spread by Jake's opponent is that it shows the opponent's level of integrity, investigation, and ability to analyze issues. Clark County deserves much better than being sold false fears. We encourage Clark County voters make their choice for Clark County Judge based on the candidate who will make the best judge for Clark County, not to whom each candidate is married. Vote Jake Brunette for Clark County Judge.

Authorized by Attorney William Grunewald and Attorney Mike Shiffler

### Clark County Humane Society's Pet of the Week

#### "LINDY"

Lindy is the CCHS Pet of the Week!

Lindy came to CCHS from a local farm where there were just too many puppies. She is a Mixed Breed girl who is 11 weeks old. She weighs 9.7#, so she's just a little peanut! Lindy has a pretty short-haired tri-color coat with beautiful markings. She has the cutest little perky ears, too! She is a very sweet little girl who has lots of love to share with her new family.

She has been vaccinated, microchipped and spayed, so she's all ready to go to her forever home right away. We have a wonderful selection of dogs, puppies, cats and kittens available for adoption at CCHS now. Stop in and meet them all! You can also submit your adoption application for Lindy (or any of the pets at CCHS) on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchso Outreach1@gmail.com](mailto:cchso Outreach1@gmail.com). Come join our CCHS volunteer family!

# AND GOD SAYS . . .

**Last week I wrote about the United States Postal Service (USPS) now delivering mail on Sunday. A reader called me this week and informed me that the USPS is now open Sundays to handle Amazon deliveries exclusively, free of charge from China and they pay only \$.75 to deliver the packages to the recipient. Just thought I would pass this on.**

Now to another matter. We are about to celebrate Easter, or as some now call it, Resurrection Sunday. And I wonder, what does Easter mean to you? Is it a time to hide Easter Eggs, decorate with the Easter Bunny, take a family vacation, get new clothes, or attend church as a family? But certainly it must be about more than these things.

Easter is first and foremost about the resurrection of Jesus. This is, beyond question, the single most climactic event in all of history to this point. The apostle Paul said, "And if Christ has not been raised, your faith is futile; you are still in your sins... If only for this life we have hope in Christ, we are to be pitied more than all men." (1 Cor 15:17-19, NIV)

Do you see what Paul is saying? Our whole hope of heaven, of salvation, of eternity with God rest solely on the resurrection of Jesus Christ. His resurrection validated his life of righteousness. Without a perfectly righteous life, Jesus would have been held captive to death, because death is the penalty for sin. But He rose from the dead, overcoming sin and death because He did not sin at all, not once. This is why Jesus is the only spiritual leader who has risen from the dead which makes Him, not only unique, but worthy of our worship.

Jesus' resurrection conquered sin and broke Satan's power over us. His resurrection demonstrated to the world that He paid the penalty of death completely and justice was satisfied enabling God to demonstrate his mercy to us.

It is also because of the resurrection that Jesus is alive, today. Thus He is our hope of resurrection when He comes back a second time. It is at this coming that the final and most climactic event in all history will take place. Christians will be taken up into heaven and those who reject Christ will be cast into hell for eternal punishment based on their decision not to believe in Jesus. So Easter is about a life and death matter. It can't be more significant than that.

## Thank You!

The Archery Club at Lincoln Elementary is continuing this year, after a short break due to Covid, and would like to thank some generous groups for their donations. We would first like to thank the Black River Country Chapter of Whitetails Unlimited for a \$1,000 donation and especially Tom Gearing who was able to get us a matching \$1000 grant from the National Whitetails Unlimited Chapter. We would like to thank the Alma Center Lions Club for their generous donation of \$1,000 to our club as well. They do so much for our community and need to be recognized. Finally, we would like to thank the LYAA for allowing school groups the opportunity to earn some funds for their clubs by working at the concession stand sharing the profits. They very generously contributed \$500 to the Archery Club as well. With the funds, the Archery Club purchased several new bows, new target inserts, and much new repair equipment to make some improvements on the bows and arrows we already have. Thank you all very much for helping us get back up and rolling. We currently have 27 archers in the club and are improving every week.

## SCHOOL DISTRICT OF NEILLSVILLE ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND EVALUATION PROCEDURES

Upon request, the School District of Neillsville is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Austin Hiess, Director of Special Education, School District of Neillsville at 715-743-8716 or by writing him at ahiess@neillsvillek12.org.
