**BLACK RIVER FALLS AREA
Foundation**

The Black River Falls Area Foundation (Foundation) is a non-profit organization dedicated to assisting community organizations and students in Jackson County. Its success depends on people donating their time, talents and money.

2022 FOUNDATION GRANTS AWARDED

The Foundation was organized in 1986 and at the end of that year had \$110,000 in assets. In 1987 the Foundation awarded its first four grants totaling \$2,562. Since then, more than 800 Grants have been awarded to 117 diverse, local, non-profit organizations, totaling over \$6.7 million dollars! What an astounding community accomplishment!

The Foundation Trustees reviewed twenty-two applications and are pleased to announce this year's nine recipient organizations:

- Black River Area Community Band:** Replace plywood deck, storage box and side rails of Community Band parade trailer
- Bolton Refuge House; Jackson County Outreach:** Improvements to the Homstad building; Install water, sewer laterals, add a bathroom area, replace lighting and lay laminate flooring
- Boys & Girls Club of Jackson County:** Toward purchase of a new van
- City of BRF; Parks & Recreation Department:** Start-up costs for a capital campaign to raise \$500,000 to improve the playground at Lunda Park.
- City of BRF; Public Library:** Youth Services & Programming to promote summer reading with a presentation by Leonardo Music and to purchase 170-180 paperback scholastic incentive books
- Jackson County Agricultural Society:** Purchase a portable stage to be used at various locations during the Jackson County Fair
- JC Health & Human Services; Division of Public Health; Car Seats:** Purchase safety car seats for Jackson County families in need and educational costs to maintain required installation certification status for staff
- JC Health & Human Services; Division of Public Health; Beach Water Monitor:** Purchase a Quanti-Tray Sealer as part of the equipment necessary to complete the Most Probable Number (MPN) test for E. Coli in local recreational waters
- Women's Sewing Circle:** Meet community needs and promote safe spaces for people to sleep by providing quilts to those in need.

If you have any questions concerning our grants, how to donate to the cause, or the application process, our Executive Director will be happy to help. You may contact Julie Murray by phone or text at 715-284-3113; by email at ExecutiveDirector@brfare-foundation.org; or by regular mail at P.O. Box 99, Black River Falls, WI 54615.

AND GOD SAYS . . .

Our culture today seems to have only two absolutes—
(1) the notion that nothing is absolute, and
(2) the separation of church and state.
Yet in the founding of our nation, both of those ideas were the farthest from truth.

Our founders believed that religion (Christianity) and morality (based on Christianity) were not only the foundation for a free nation, but absolutely necessary. Listen to the words of some of them.

George Washington: "Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable..."

John Adams: "Statesmen... may plan and speculate for liberty, but it is Religion and Morality alone, which can establish the Principles upon which Freedom can securely stand."

National Education Association (1892): "...if the study of the Bible is to be excluded from all state schools... then the good of the state would be better served by restoring all schools to church control." (Emphasis mine).

And historian, Alexis De Tocqueville: The Americans combine the notions of Christianity and liberty so intimately in their minds that it is impossible to make them conceive one without the other.

These are just a few of the multitude of quotations indicating that our leaders believed strongly in absolutes, in the necessity of religion (Christianity in particular), and that it is impossible to separate religion (the church) from the state, because it is foundational to our form of government.

My conclusion is that the problems in our country are not political problems as much as they are spiritual problems. Thus 2 Chronicles 7:14, in which God says, "If my people, will humble themselves and pray... and turn from their wicked ways... I will heal their land," is so timely and applicable. May-be now is the time to pray!

Clark County Humane Society's Pet of the Week

"Oreo"

Oreo is the CCHS Pet of the Week!

Oreo was surrendered to CCHS from a local farm with his siblings. He is about 10 weeks old and is a Heeler mix. He's got a really handsome short-haired black and white coat with lots of speckles! Oreo is a happy puppy with a great outlook on life. He is fun-loving and has lots of energy. It will be important for his new family to keep him busy so that he doesn't find trouble to get into! Heelers are known to be smart, energetic, and creative dogs! There are so many beautiful puppies at CCHS right now. If Oreo isn't quite what you are looking for, there are lots of others to consider. You can check out all of them and submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

On Saturday, July 2nd, there will be a "Pawty in the USA" at CCHS! We are celebrating our 35th Anniversary and invite everybody to join us at the Shelter! From 10:00 a.m. - 4:00 p.m. that day, there will be more than 20 vendors and crafters, food trucks, live music, children's activities, a photo booth, garage sale, silent auction, bake sale and loads of fun for everybody! More details can be found on our website. Please come and see what CCHS is all about and have a great time!
