*Celebrating Community Giving*

Join us for the Black River Falls Area Foundation's ANNUAL "Friends of the Foundation" LUNCHEON BUFFET and HONORARY TRIBUTE TO Gil Homstad

Gil was instrumental in establishing the Foundation, was a member of its original Board of Trustees, and served as Chairman of the Board for 36 years.

**Tuesday, September 20th, 2022**  
**11:30 am to 1:00 pm**  
**Skyline Golf Course, Black River Falls, WI**

Please come and help us recognize Gil for all he has done for our community! You are also invited to become a 2022 FRIEND of the Foundation with a contribution of \$100 per person.

The Foundation's annual FRIENDS Luncheon is our only fundraising event of the year and 100% of the donations are used to fund grant requests. Due to the pandemic, 2020 and 2021 were the only years, since the organization of the FRIENDS group 26 years ago, that no luncheon was held. Fortunately, your generosity continued throughout those years and made an important difference in our ability to make needed grants to area organizations. Thank you! We look forward to celebrating with you at our September 20th luncheon. Our 2022 FRIENDS gathering will be dedicated to honoring Gil Homstad, the man who made the Foundation vision a reality 36 years ago. We invite Gil's family, friends, co-workers, and anyone he has touched with his wisdom, guidance and philanthropy to join us in thanking him for all he has done for our community.

**FRIENDS donations and all donations previously made in recognition of Gil's service to our community will be acknowledged in our Annual Report and at the 2022 FRIEND'S Luncheon.**

Donations to the Foundation allow you to help the most community members possible through our many grants to local non-profit organizations. Your generous gifts created, sustain and help the Foundation to grow. If you would like to make your annual FRIENDS donation and/or a special donation in Gil's honor, your gift will be greatly appreciated.

Please RSVP by September 6th.

**AND GOD SAYS . . .**  
 In the book, "Do As I Say (Not As I Do): Profiles in Liberal Hypocrisy," Hoover Fellow Peter Schweizer reveals the glaring contradictions between the public stances and real-life behavior of prominent liberals. Schweizer's conclusion is simple: liberalism in the end forces its adherents to become hypocrites. They adopt one pose in public, but when it comes to what matters most in their own lives-their property, their privacy, and their children-they jettison their liberal principles and embrace conservative ones. Schweizer thus exposes the contradiction at the core of liberalism: if these ideas don't work for the very individuals who promote them, how can they work for the rest of us? (See www.Newsmax.com for more information).  
 Schweizer raises a good question, does he not? The same could be asked of Christianity.  
 The answer to this question is found by looking to the One who established Christianity. Did He live what He taught?  
 God said He did when He said concerning His Son, "This is my son in whom I am well pleased." Further testimony is given by the writer of Hebrews who says, under the inspiration of the Holy Spirit, "We have one who has been tempted in every way, just as we are — yet was without sin" (Heb 4:15). But the greatest of testimonies is Christ's resurrection from the dead. Death only has power because of sin. Where there is no sin, death has no power. When God raised Jesus from the dead, that in itself is irrefutable evidence that Jesus was without sin, without hypocrisy. He is absolute truth.  
 You see, Christianity stands, not because Christ's followers are perfect and without hypocrisy, but because its leader and founder was perfect.. Jesus, himself said, "I am the way and the truth and the life. No one comes to the Father except through me" (John 14:6).

 The moment that you died our hearts were torn in two. One side filled with heartache, the other died with you. # Back to School Safely!

## ~ Do a practice walk to school or the bus stop

Practic with your child on before the first day of school, choosing a route with the fewest street crossings and avoiding deserted areas.

## ~ Teach your child to never talk to strangers

Go over specific scenarios, such as a motorist asking for directions or assistance, or a stranger with a friendly pet, that may trick kids into interacting with a stranger.

## ~ Teach kids what traffic signals and signs mean

Communicate the importance of obeying them. Remind kids to carefully cross streets at crosswalks, looking both ways twice and never entering the street from between parked car.

## ~ Go over school bus rules with kids

Remind them to stay seated throughout the ride. Teach kids to never approach or prepare to exit the bus until it comes to a complete stop, and to only cross at least 10 giant steps in front of the bus when exiting, so the driver can see them.

## ~ Make sure your child knows your phone number

As well as your place of work, and his or her home address. Kids should also have a backup number for another trusted adult and know to call 911 in an emergency.

## I am still me

My behaviors may change, I may begin wondering, repeating questions, have verbal and or/physical outbursts. I may resist personal care and begin hoarding. I may have sleep disorders and /or hallucinations or paranoia. Something may be bothering me. I am trying to communicate it to you in a different way now. But I am still me.

Adopt my activities to what I can do now not what I used to do. Limit my choices, provide gentle guidance, break tasks down into single-step directions and remain positive physically and verbally. I may have changed, but I will still be me.

Please don't say "no" or "don't do that." I am not a child. Treat me as an adult. Step away for a few minutes. Maybe we both need some time. I am still me.

Give me choices or suggestions instead of open-ended questions. Instead of, "Where would you like to go today?" Ask "Do you want to go to the park or the beach today?"

I still like most of the same things. I just may not know how to tell you. But I am still me.

I may still like hugs, be a part of the conversation and attend gatherings and events. But I may forget names and places. Keep me involved. I am still me.

Please advocate for me when I cannot. Exercise, diet and a positive

environment can help me. Monitor and report my health changes. I want to still be me.

My memory is short-term. Rewarding me or offering incentives for better behavior now and in the future will no longer work. Negotiating with logic or reason will no longer work. You may become frustrated. I don't mean to frustrate you. I learn differently now, most of the time it is beyond my control. I can be frustrating, but I am still me.

Everyone has a life story. Please document mine; scrapbooks, videos, hobbies, likes/dislikes and my routines. When I cannot longer tell my story, it will be helpful to my family, friends, loved ones, caregivers and my care plan. So that I can still be me.

From: *Mind & Memory Matters, A Project of Wisconsin BPDD*

Each of us have a chance of interacting with an individual who may be experiencing memory loss, whether that is through a loved one, work, or simply be-

ing out in the community. I Am Still Me offers a great reminder of how our actions, verbal and nonverbal, affect others.

As people change, it may become harder to visit, and at the same time, those visits become more important. Interfaith's Time for You Dementia Respite Program staff and volunteers get the privilege of visiting with individuals with dementia. These trained individuals provide program participants with a safe place to engage with others who are experiencing memory loss by utilizing the reminders in I Am Still Me.

Interfaith also partners with the Aging and Disability Resource Center to offer a monthly support group on the first Thursday of each month from 2 p.m. to 3 p.m. With many resources and partnerships, we are blessed to be a part of this wonderful community.

If you would like more information on Interfaith or our Time for You Respite Program, please call us at 715-284-7058.

## Welcome Megan

Hi! My name is Megan Gerardy and I am excited to become a part of the Jackson County Aging and Disability Services Team as the new Elder Benefit Specialist!

I grew up between Wisconsin and Missouri and have settled down outside of Melrose with my husband and our dog, Hank. Outside of work, I love being outdoors and enjoy exploring our beautiful Wisconsin waters, woods and bluffs. I am thrilled to become a part of this community and look forward to getting to know and work alongside my wonderful team and community partners.

I have an educational background in occupational therapy, recreation management and assistive technology. I am currently learning the ins and outs of the Elder Benefit position and am looking forward to meeting with the people of Jackson County to troubleshoot your concerns and review available resources in our area.

Please feel free to reach out with questions or concerns. I can be reached at 715-284-3978 or at Megan.Gerardy@co.jackson.wi.us. Happy New Year - stay safe and warm!

## Women in History nominations being accepted

It is that time of year again to submit nominations for Jackson County's 2022 Women in History nominees. Founded in 1996, the purpose of the Jackson County Women in History program is to honor the achievement of women in the history of Jackson County. This is done through the annual induction ceremony honoring the selected women's contributions to Jackson County's history.

Women in History is sponsored by the Women in History Nominating Committee. The ceremony honoring Women in History designees is traditionally held during the third week of March. Nomination must be submitted by Jan. 31.

In order to be eligible for consideration, indi-

viduals must be a resident of Jackson County, must be at least 60 years of age, making a difference in a community in Jackson County, making a difference in someone's life and volunteering their time and talent to benefit the community.

Past nominees that have not been selected within the last three years are resubmitted. Any nomination submitted more than three years can be resubmitted.

Nomination forms can be picked up at the Jackson County Aging Unit, Jackson County Sheriff's Department and Jackson County Interfaith Volunteer Caregivers. Send nominations no later than Jan. 31 to Women in History, PO Box 354, Black River Falls, WI 54615.
