Mayor Poeschel declared all reports filed as presented with the City Clerk.

Denise Clough, Neillsville Improvement Corporation (NIC) Board Member, stated that NIC was invited to the Town of Fremont Board meeting on September 14, 2022, to share information on Rails to Trails from Neillsville to Granton to Chili, 13 miles along the Xcel power line. There seems to be some confusion about the City of Neillsville's involvement. The City of Neillsville co-signed the DNR grant application. A Councilperson at the town meeting implied the City was on the hook for \$50,000 and that it was taxpayer money. This is a grant and not a loan which has to be repaid. NIC is excited about the project and construction has begun-there will be a sidewalk, ADA accessible restrooms, play station area, adult exercise workstations, canoe and kayak launch area, a Lion's club picnic shelter, etc. NIC's goal is to help with the Clark County and Neillsville area tourism.

Council Member Counsell stated that she was the Council Member at the Town of Fremont Board meeting. There are taxpayer dollars being used-DNR grants are funded by tax dollars.

Angela Eckman, Chippewa Valley Technical College, Campus Business Development Manager for Chippewa

Falls and Neillsville, stated the Neillsville Campus is near and dear to her personally as she has family in the Greenwood/Neillsville area. She is here to address the presence of the Neillsville Campus, she is disappointed by what she hears, people saying things about what is being offered and how the campus is being utilized.

Eckman stated with the passing of the referendum, CVTC is building a transportation center and emergency services building, while these are not local buildings, both programs can provide for local services, the current problem is CVTC cannot find a local instructor for the transportation program, it is not for a lack of effort in looking, we are working on returning the CNA program, but the State is slowing responding.

Eckman stated that CVTC has been active in the community with the Chamber, June Dairy breakfast, Fall Festival, etc., career fairs (Mayville, OEM, Cummins, etc.), worker training for businesses (safety, leadership, blueprint reading, etc.), partnering with Grassland for hazardous material handling and training staff for emergency services, hosting area association meetings.

Eckman stated the Neillsville campus is unique as it is on the intersecting edge of four technical colleges and provides the opportunities for collaboration. You may not see a packed parking lot, but there is effort, resources, passion and dedication to this facility.

Council Member Counsell thanked Eckman for coming, it would be nice to get periodic updates and next time you should be on the agenda.

Jerilyn St. Amand stated a lot of people don't know the CVTC Campus is up there; people want to go back to school and continue learning.

Eckman stated this is important feedback; what target audience are you addressing.

St. Amand replied people who work during the day, they want night classes.

Eckman questioned who are they.

St. Amand stated better communication with people is needed, people are afraid to come to the Council Meetings;

Mayor Poeschel asked if there were any questions on the Parks and Recreation Board items (6 and 8).

Motion Counsell, second Petkovsek, to accept the recommendation to change the tennis court at Listeman Park into a pickleball court. All Aye.

Director of Public Works Friemoth stated that the drain tile installation would tie into the W. Fifteenth Street storm sewer line and drain into Listeman Pond.

Motion Neville, second Clough, to accept the recommendation to install drain tile at Listeman Park by the playground area to help dry it out faster by the toys. All Aye.

City Clerk Roehl reported that the regular meeting of Tuesday, November 8, 2022, is also the Fall General Election Day. Discussion followed.

Motion Clough, second Counsell, to reschedule the Tuesday, November 8, 2022 meeting to Thursday, November 10, 2022 at 4:30 P.M. All Aye.

Mayor Poeschel presented Diane Kren's letter of resignation from the Tourism Commission.

Motion Neville, second Clough, to accept the resignation of Diane Kren as member of the Tourism Commission and to thank her for her service to the City. All Aye.

Chief of Police Mankowski invited everyone to stop by Hardee's on October 2, 2022 from 7:30 A.M to 9:30 A.M. to have coffee with a cop, a letter from Maggie Gelhaus addressing Homecoming toilet paper and pranks, Homecoming activities are civil unrest, they may be City ordinance violations, but not criminal activities, the managing of 75 to 100 children is overwhelming, he will be meeting with the School to try and come up with a plan for next year.

City Clerk Roehl presented an invitation from the Neillsville Branch of Simplicity Credit Union to stop in and hear about their plans for their new building with drive-through anytime this week-September 26 through 30, 2022.

Tavern Operator's License Applications:

Melanie S. Ganje

Mayor Poeschel read Chief of Police Mankowski's letter regarding the operator's license application from Melanie S. Ganje. Mankowski's position has not changed and he does not recommend issuing Ganje an operator's license.

Discussion followed.

Motion Neville, second Counsell, to deny the license based on the information provided by the Chief of Police. All Aye.

Steve D. DeCloux and Karen S. Simm

Motion Neville, second Clough, to grant all the listed licenses. All Aye.
