BARN OWL

NOVEMBER’S ELECTIONS

There was something to celebrate in November: people showed they were turning against Trump and his plan for America. Polls showed growing opposition, and this was proven at the ballot box. In many elections, Democrats did even better than they hoped.

In the big governor elections in **Virginia** and **New Jersey**, Abigail Spanberger and Mikie Sherrill won. Democrats in both states also won senate and assembly seats as well as winning races for Virginia’s Lieutenant governor and Attorney General.

California passed Proposition 50 – to temporarily redraw its congressional districts to increase the number of Democratic districts in response to Texas doing the same for Republicans.

Progressives are getting involved and winning also on the local level:

- Bucks County, **Pennsylvania** voters removed the sheriff who had agreed to work with ICE on raids. This is a swing county that went narrowly for Trump in 2024. The sheriff’s opponent won with over 55% of the vote.
- **Pennsylvania** also voted to keep three progressive supreme court justices.
- In **Texas**, the school board for the third largest district switched from a 6 - 1 conservative majority, which had been removing books and closing libraries, to a 4-3 progressive majority.
- **Georgia** elected two Democrats to the Public Service Commission with over 60% of the vote. They were the first Democrats to win statewide office since 2006. One was the first black woman ever elected to a statewide partisan office.
- In **Mississippi**, the Republican supermajority in the State Senate was broken when Democrats won two new senate seats that were created in redistricting.
- **Colorado** voters approved higher taxes on wealthy people to pay for school meals
- **Maine** voters rejected a law that made voting harder by requiring photo ID and making mail-in voting more complicated.
 - The Wichita, **Kansas** school board flipped from 4-3 GOP to a 5-2 Democratic majority.
- In **Connecticut**, 29 conservative representatives lost their seats in municipal elections.
 - **Detroit** elected its first woman mayor.
 - **Albany, New York** elected its first black mayor.
 - Many cities and towns - like Moscow **Idaho**, East Hampton **Massachusetts**, Kalispell **Montana**, Coralville **Iowa**, Georgetown **South Carolina** and Greek **New York** - elected Democrats even though Trump won there in 2024. Counties and school boards in **Pennsylvania, Washington, New York, Ohio, Arizona** and **Colorado** switched to Democratic control.
- In its largest voter turnout in 59 years, **New York City** elected Zohran Mamdani as mayor.
 - Even in races Democrats did not win – they increased their share of the vote.

This is Democracy – still at work – throughout the country.

AND GOD SAYS . . .

For Christ . . . entered heaven itself, . . . to appear for us in God’s presence . . . he has appeared once for all . . . to do away with sin by the sacrifice of himself . . . so Christ was sacrificed once to take away the sins of many; and he will appear a second time, not to bear sin, but to bring salvation to those who are waiting for him. (Hebrews 9:24-28)

The story of the Bible is one, from the beginning to the end. The story is the story of Jesus, God’s one and only son, who came to this earth, taking on the form of a man, born as a baby in a manger, then being tempted like we are, yet without sin. He then became the perfect sacrifice for us.

He, who knew no sin, who never failed his father, God, was not under the penalty of sin. Therefore, he became the only man who ever lived that did not have to die. But he died because he was willing to die in our place, fulfilling the penalty of death that condemns us all.

Though he paid his life for ours, he offers the gift of life to us for free. But he will not force it on us. If we love our sin (which is our default mode) more than loving God, we do not have to accept this gift. We can pass it by. If we just go on living our life without a proper acknowledgement of the sacrifice Jesus made for us, we will die in our sins, and condemn ourselves to eternity in hell. God says, “it is appointed unto men once to die, but after this the judgment.” (Hebrews 9:27).

But God offers us an escape from our default mode. He offers us eternal life after death. He offers this life through Jesus. God says, “if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For with the heart one believes and is justified, and with the mouth one confesses and is saved” (Romans 10:9-10).

So you can do things your way and die and go to hell, or you can put your trust in Jesus and be forgiven of all your sin and live forever, in heaven. It is your choice.

Clark County Humane Society’s Pet of the Week

“BLOSSOM”

Blossom is the CCHS Pet of the Week!

Blossom came to CCHS with her 2 sisters Bubbles and Buttercup earlier this November from a local farm. This beautiful Cattle Dog mix is about 14 weeks old and weighs roughly 20.4# currently. Blossom is the puppy embodiment of a ray of sunshine! She is sweet, happy, and quite honestly insanely cute! She has a short-haired coat of brown, white and black, with adorable perky ears. While we aren’t entirely certain what her exact breed makeup is, we can tell you she is 100% Sugar, Spice, and Everything Nice! With any puppy, training and socialization are incredibly important to the success of the pup. Blossom is ready to bring lots of love and happiness to her new family, so please apply to adopt her today!

Save the Date! Santa and Mrs. Claus are returning to CCHS this year for our annual Pet Pictures with Santa & Mrs. Claus! They will be at the Shelter on December 6th from 1:00 p.m. - 4:00 p.m. They do a wonderful job and are happy to take pictures with all kinds of pets, from cats and dogs to rats and goats! Pictures are then available for purchase as prints, email or on a flash drive. So bring your pets and make some great Holiday memories! More details are available on our website.
