WHAT CAN YOU DO?

The right wing of the Republican Party, led by President Trump, has staged a **coup d'etat** – an illegal seizure of the machinery of government. They have succeeded in taking control of our **Judiciary, Armed Forces, Treasury and Law enforcement**. They are working to take away the law-making responsibility from the House and Senate - with the cooperation (by ideology or cowardice) of Republican legislators. They have violated Article One of the Constitution. Now they are moving quickly to ally with a Russian dictator. **The coup has occurred but it has not been consolidated.**

AND GOD SAYS . . .

We received a call from a father whose son, Dave, was just found dead in his apartment. Apparently he was working on his computer when he just slouched over and died. Although he seemed very healthy, strong, energetic and out-going, without warning he died of heart failure. He was only 28 years old so his death was totally unexpected.

Dave understood the reality of death and that we are all going to die. Shortly before his own death he wrote on his blog about four people who had recently died, two were elderly and two were younger than himself. He also wrote the following about his grandmother's funeral.

"I look around and see the sting of death: Hurt, pain, remorse, guilt, shame, regret. But, the fruit of the Spirit is Joy, Peace, Patience, Kindness, Goodness, Faith, Gentleness, Self-Control. What a struggle to experience the fruit of the Spirit in the midst of death. To any man or woman, the sting of death is evident in our world, we can allow it to control us for days, weeks, or even months. Imagine if Christ had not overcome death — the disciples would have been dumbstruck for months or even years after having following [sic] Christ in all his ministry. . . ."

When this corruptible is clothed with incorruptibility, and this mortal is clothed with immortality, then the saying that is written will take place: Death has been swallowed up in victory. Death, where is your victory? Death, where is your sting?... But thanks be to God, who gives us the victory through our Lord Jesus Christ!" (1 Corinthians 15:54-57).

Now it is Dave who is experiencing first hand the victory he believed in through Jesus Christ. He believed Jesus when He said, "I am the resurrection and the life. He who believes in me will live, even though he dies" (John 11:25).

As Christians we can focus on ourselves and our loss and live in that loss. Or we can focus on our Savior and like Dave, focused on the great joy awaiting us. You see, Dave didn't really die—he was transported to heaven to be with his Savior. And that's good because the reality is, according to Jesus, once believers in Jesus die, they go to be with Him and enter into the fulness of joy that can never be fully experienced while on this earth. Sadly this reality is not so with unbelievers. So my question to you is, "What is your future reality when you face eternity?"

Clark County Humane Society's Pet of the Week

"CHICKEN"

Chicken is the CCHS Pet of the Week!

Chicken came to CCHS from a local farm towards the middle of February. This sweet Heeler mix is about a year old and weighs 29.6# currently. He has a medium-length tri-color coat with really pretty markings and cute brown eyespots. Chicken is an absolute lover boy! While he has a touch of that Heeler energy to him, he'd rather use it all giving you kisses! Chicken was surrendered (and named Chicken!) because he enjoyed chasing the chickens on the farm. So he will do best in a home without chickens or other small critters. While we aren't entirely sure what his exact breed makeup is, we can tell you he's 100% snugglebug! With any rescue, training and socialization are incredibly important to the success of the dog. You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!
