## RE-ELECT CHARLES E. SMITH

TOWN CHAIRMAN  
**COMMON SENSE**

For Town of Alma  
**VOTE April 1st**

Authorized and paid for by Charles E. Smith

**L.I.N.O.**  
The “Party of Lincoln” is proud of that tag.  
But they don’t deserve it.  
They are Lincoln In Name Only.

The Republican Party was formed in 1854 as a party opposed to slavery and the spread of slavery into new states. While their influence grew in the North, the Plantation Aristocracy, hated them and their threat to a slave economy. They hated them enough to secede from the nation when the Republicans won.

Abraham Lincoln was born in poverty. He worked the land and educated himself, becoming a voracious reader. He owned a general store, became a bartender, postmaster and surveyor. He served in the Illinois Legislature and then the U.S. House of Representatives. He opposed the War with Mexico and campaigned vigorously to end slavery.

When elected President, he did not assemble a cabinet of men who adored him. He built a “team of rivals”, competent and intelligent men who would state their mind and challenge Lincoln to make the best decisions. Throughout the war that followed, his wife worried that he worked too hard and would not rest. (He did not play golf on his estate.) He first freed slaves in the rebel states under the **Emancipation Proclamation**. Then Republican legislators fought to pass the **13th Amendment**, ending slavery in the United States in 1865.

Lincoln proclaimed that the future of democracy would be assured and that **“government of the people, by the people, for the people, shall not perish from the earth”**.

With the end of the war, he called on the nation to **“care for him who shall have borne the battle, and for his widow and orphan.”** That is the quote cited by the Veterans Administration as the foundation of care for the veteran.

Where in today’s GOP can we find threads of the hard work, humility, empathy and compassion, the tireless and principled leadership of Lincoln? Where do we find interactions that seek compromise and cooperation in a crisis? Which leaders came up from the bottom and worked in public service throughout their days? Who will defend veterans? Maybe the Grand Old Party of old. But not anymore.

Where in the GOP now would you find the leaders who would have fought to end slavery and incorporate freed slaves into the life and opportunity of the nation?

**No. Not of Lincoln.  
Just L.I.N.O.**

**AND GOD SAYS . . .**

**If you were to make a contract with God stating your expectations of Him, what would it say? What would be your expectations of Him? And what would you commit to Him in return?**

I think at the top of the list might be (1) that God would treat us fairly (2) that He would put a stop to all suffering and pain, (3) that He would require our approval of the various circumstances He allows to impact our lives, and of course (4) there would probably be a statement mandating that He ensure our happiness and success.

In return, (1) we would commit to giving Him our approval, (2) we would not say anything bad about Him, and (3) we might even promise to give money or other things as an offering.

But stop and think about it. In reality, don't we already live as if we have this contract. I mean, we tend to judge God as if we did. In so doing, aren't we really placing ourselves in the position of authority, thereby displacing God as God and claiming ourselves to be God. In other words, we really want to be God and we want God to be our servant.

Come to think of it, isn't that the temptation that Satan put before Eve? He not only challenged God's word but he impugned His nature when he said "You will not surely die . . . For God knows that when you eat of it (the fruit of the tree) your eyes will be opened and *you will be like God . . .*" (Italics mine). And apparently Eve was open to this idea.

We are so quick to say "times have changed." But, you know, that's really not true. We are as eager to embrace the idea of "playing God" in our lives as Eve was. Thus we are still rebelling against Him, allowing sin to dominate us as we try to play God. Then we complain when He doesn't do things our way. We reject His word and His love and then curse Him for the troubles we have in our lives.

Yet in spite of all our rejection and rebellion, God still loves us because He IS love. The Bible says that while we were God's enemies He sent Jesus to die for us to pay the penalty for our sin (see Romans 5:10 & 5:8). What He is asking from us is that we would confess Jesus as our Lord and Savior and do things His way (Romans 10:9-10). Does that seem to much too ask after all He has done for us?

# REACHING OUR SENIORS WITH YOUR VALUABLE SERVICES IS IMPORTANT!

## Stay Healthy Through the Winter

Amy Gunderson,  
Jackson County Public  
Health Nutritionist

When you are in-  
doors more during the  
fall and winter, you  
may be closer to other  
people. This can in-  
crease your chances of  
catching viruses that  
cause colds, the flu or  
COVID-19. Dry win-  
ter air can also weaken  
natural mucus barriers  
in the nose, mouth and  
lungs, where viruses  
can enter the body.

### Get a flu shot

CDC estimates that  
flu causes millions of  
illnesses, hundreds  
of thousands of hospi-  
talizations, and thou-  
sands of deaths each  
year. The best way to  
protect yourself and  
your family against  
flu is by getting vac-  
cinated. When you  
receive a flu shot, you  
essentially receive an  
inactive form of the  
flu virus that year.  
Your body then forms  
anti-bodies specific-  
ally to fight off this  
type of virus. That  
way, when the real  
thing hits you, you  
already have a reserve  
army: in your im-  
mune system that  
will attack this virus  
at first contact. Every-  
one six

months of age and  
older should receive  
the flu vaccine every  
year.

### Best Practice for Staying Healthy

Healthy Habits pre-  
vent germs and in-  
fection disease from  
spreading.

- Wash your hands  
regularly – keep the  
bacteria and viruses off  
your hands and out of  
your mouth and eyes.  
Always keep a bottle  
of hand sanitizer close-  
by for those instances  
where you can't get to  
soap and water.

- Wipe down sur-  
faces around you with a  
sanitizing cleaner.

- Avoid touching  
eyes, nose, and mouth.

- Stay hydrated, so  
you can flush toxins out  
of your system.

- Get enough sleep  
to keep your immune  
system strong

- Stay home when  
you are sick.

### Eat and Drink Wisely

Eat food which is  
rich in Vitamin C. It  
will help you keep your  
immune system strong  
and healthy during the  
winter. Try to include  
more fruit and veggie  
such as lemons, kiwi-  
fruit, oranges, spinach  
and broccoli in every

day meals.

Don't forget to drink  
water. One of the best  
things you can do for  
your health is to drink  
optimal amounts of  
water every day. Water  
plays a big part, and it  
can keep you healthy  
during the winter.

### Get Active

It is really important  
to be active on a regu-  
lar basis, even if only 15  
minutes a day! Get ac-  
tive around the house.  
Don't want to miss  
your favorite show?  
Try jogging or walk-  
ing in place or even just  
stretch while you are  
watching it. Other ways  
to be active are clean-  
ing, walking the dog  
or just going up and  
down your steps a few  
times per day. Have fun  
getting physical in the  
comfort of your warm  
home. Please contact  
your health care pro-  
vider about what types  
and amounts of phys-  
ical activity are right for  
you before making too  
many changes.

Clark County Humane Society's  
Pet of the Week

"CREED"

Creed is the  
CCHS Pet of the Week!

Creed came to CCHS with his 7 siblings at the beginning of March from a local farm. This handsome Jack Russell Terrier/Red Heeler mix is about 9 weeks old and weighs 12.9 # currently. He is very handsome with his short-haired white and red coat. He has lots of speckles on his legs, soulful eyes and cute little perky ears, too. Creed is a goofy fella with a ton of puppy energy to burn! He is ready for any adventure you want to take on and will only complain a little bit if there's not enough treats! He is looking forward to making lots of great memories with his new family. With any rescue, training and socialization are incredibly important to the success of the puppy. You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!
