# Opportunity Knocks

We have all heard that saying. Often, sadly not answered. Too often missed.

Many folks know me, and to those that do not, I have an Honorable Discharge from the United States Navy, served on the Colby City Council as well as the Clark County Board of Supervisors, and I was a Deputy Sheriff for Clark County for 10 years. I have continuously supported numerous local charities over the years. Grew up and raised a family in Clark County.

I say this to show you, that I take service to the community seriously. Everyone, working together, makes our community the best it can be for our families.

Safe communities, that nurture and provide opportunities.

We have an opportunity, to make our county a better, safer place to live, to raise our families in. It is not often, that there are folks willing to serve to that end.

To sacrifice. To genuinely want to serve the citizens.

April 4th. We have that opportunity.

Jake Brunette is running for Branch 2 circuit judge.

It is rare, when folks with Jakes experience, character, and sense of honor, step forward in the interest of fairness to the citizenry.

A family man. With family values. A tireless worker.

I know this man.

I have worked with him. I have seen firsthand, his work ethic.

His patience. His sense of duty to make things better.

His ability to process diverse thought, diverse opinions.

His ability to actively listen.

Regardless of position or wealth. Each person's opinion matters to him.

In my lifetime, I have met few men that possess the qualities to serve in the capacity of judge more than Jake.

You all have the chance, to transcend the politics of the day, to rise above the separation and personal posturing, to go to the polls and vote for your family, your communities, your county.

In the quiet of the day, whenever that is for you, please pause, reflect on what you want to see in your community. What level of fairness, equality, and steady judgement you expect from your judiciary.

This man is fair. He is competent to do the job.

Look at that ballot. See it for more than a "this party, or that party".

The polarization of political party does no one any good. I believe you all have certainly seen the result.

People across party lines support Jake. That says something about this man.

I ask that you please look at the qualifications for the position. You will see that Jake is highly qualified.

What you need to weigh in your decision, are the intangibles that are seldom separated from political affiliation.

I will vote for Jake Brunette, because he not only possesses the core competencies, but also, because he is the best person for this rare opportunity for all of us.

## AND GOD SAYS . . .

Last week I wrote about digital identification and digital currency about to be forced upon us preparing the way for the coming tribulation. An alert reader called me to question me about one of the statements I made and wondered if it was a misprint. The statement was “The third thing is, if we choose not to participate, we will suffer the wrath of God, which will be far worse and will never end. (see Revelation 14:9-12).” Well, it wasn’t a misprint, it was just my error. The word “not” should not be in the statement. It should read, “if we choose to participate, we will suffer the wrath of God”.

I want to thank the reader who called and alerted me to this mistake. It was certainly a critical one and it gives me the opportunity to correct it publicly.

Now to other things. We have been on vacation visiting family and friends. In one of the homes we stayed in, I was able to watch a continued series of NCIS throughout the day. While entertaining the show line is always about one or more people who have been murdered.

Many years ago, whenever I saw a death on TV, I was challenged not to let my mind become desensitized to it. As a result, I rarely watch a show or read a book that presents a death scene that I do not think more deeply about death. I wonder what the dead person is experiencing immediately following his death. Would they be in heaven or hell? Experiencing eternal happiness and fulfillment or eternal torment? If the Bible is correct, and there is no valid reason to believe that it is not, those are the only two real alternatives. This makes me realize more than ever that people need to know this truth before they die so that they can escape hell and spend eternity in Heaven with our Lord and Savior, Jesus Christ. He is our only hope.

What is even more overwhelming to me, than this truth, is the truth that all of this is provided *for us* through Jesus’ dying in our place for us. Then He rose from the dead in victory over death so that He can extend His life *to us*, so that even though we die physically, we will live new lives with Him eternally. But greater still, this is not a benefit we earn, but a gift that is given purely on the basis of His grace to us. It is totally undeserved. It is an expression of His love for us. Check it out. Read the gospel of John for a starter. You may be really glad you did.

### Support Jake Brunette for Clark County Judge

With the highest amount of respect, I endorse attorney Jake Brunette as a candidate for Clark County Judge. During my 20-year career as a newspaper editor, including the last five-plus years at The Clark County Press before I retired, I had the opportunity to interact with Mr. Brunette in his capacity as Clark County Corporation Counsel on multiple occasions. He was always honorable and respectful and carried out his duties efficiently and professionally. He also showed an exemplary knowledge of the law. Mr. Brunette truly cares about the citizens of Clark County. In his capacity as a newly-elected judge, working with law enforcement and the legal system, he will seek to keep Clark County as a safe place to raise families and to invest in strong communities.

His experience and exemplary character will result in decisions as Clark County Judge that are well-reasoned, fair, impartial and just to all parties involved. Please join me in supporting Mr. Brunette in his candidacy for Clark County Judge.
