## BARN OWL

### THE RICH GET RICHER?

President Trump's tariffs, trade war threats and the chance of a bigger war in Europe have left our economy shaky. The stock market is in a nose dive. **But Trump and other billionaires don't worry, because for them, it's just an "adjustment." They advise us that there might be some discomfort.**

During the **Great Depression of the 1930s** some of the richest people in America made their money from the disaster. Joe Kennedy, who made a lot of money in the stock market in the 1920s, sold his stocks before the market started to fall in 1929. Then, when the stock market crashed and many people lost everything, he bought more stock. By the end of the Depression, he was one of the richest men in the country.

**Every time there's been a financial crisis, the rich just get richer.**

Remember when our economy crashed in **2007 because of Wall Street banks?** Home prices (and our equity) dropped by 21%. **More than 10 million lost their homes to banking predators. The stock market lost over 50% of its value before President George W. Bush left office. Many regular people cashed out their 401(k)s just to survive.**

Between 2009 and 2012, when the recovery began, the richest Americans saw their income grow by over 31 percent. Almost all the money made in that time went to the top 1% of Americans. A billion dollars invested in 2009 became \$5.62 billion in just 11 years. During that same period the combined wealth of American billionaires went up by 80 percent. **80 PERCENT!**

When have you ever had that return on your money?

When the stock market crashed again because of Trump and Covid, the rich had another chance to get even richer. **The wealthy saw it as a gift from God.**

**Billionaires make the most money during a crash. They love crashes because they can buy cheap stocks while regular people are losing their money.**

**So, our billionaire president and his billionaire friends are not worried about the stock market decline they created. For them it is not a crisis. It is an "adjustment." While regular people lose everything, the rich will make more money, and the gap between the rich and the rest of us will grow even wider.**

# AND GOD SAYS . . .

**For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) . . . and bringing into captivity every thought to the obedience of Christ (2 Corinthians 10:3-5 KJV).**

It was almost ten years ago that I wrote the following as the conclusion for a message I preached from 1 John 2. I was cleaning off my desk when I came across my notes and was struck by the fact of how apropos it is to the cultural/spiritual war that we find ourselves in today.

I wrote that God's strategy was not to send an army of angels to fight against Satan, sin, and death in order to take us back as his captives. Instead he sent his son as a baby—vulnerable, weak, and dependant. He used a family of no worldly influence or means to effect change. He came through a nation that was held in captivity and was looked down upon and rejected by the rest of the world throughout all the ages. He did this at a time when he, his family or his people had no way to wage war as the world does.

But, though it was completely contrary to human reason, historical precedent, common military strategy, or worldly principles of influence, God won the greatest victory that has ever been won, over the greatest enemy that could be faced, against the greatest odds ever given, and for the greatest prize that could be won.

God defeated Satan, sin, and death, in one climactic encounter his death on the cross and his resurrection from the dead. He thus rescues us who turn to him, setting us free from the bondage of sin and death, and reconciles us to himself. Thus he has restored us to his image, making us a new creation.

This is the message we have to preach. This is the victory we have to offer. Have you entered that victory?"

### NOTICE OF BOARD OF REVIEW MEETING

Notice is hereby given that the **BOARD OF REVIEW** for the Town of Pine Valley, Clark County, Wisconsin, shall hold its first meeting on **May 5th, 2025**, from **6:30-8:30 pm**, at the town's hall, N3907 Marg Ave. Neillsville, WI 54456.  
Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the Board of Review:

1. After the first meeting of the Board of Review and before the Board of Review's final adjournment, no person who is scheduled to appear before the Board of Review may contact or provide information to a member of the Board of Review about the person's objection, except at a session of the Board of Review. Open book shall occur no less than 7 days prior to the Board of Review.
2. The Board of Review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the Board of Review's first scheduled meeting, the objector provides to the Board of Review Clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the Board of Review shall waive that requirement during the first 2 hours of the Board of Review's first scheduled meeting, and the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days, with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.
3. Objections to the amount or valuation of property shall first be made in writing and filed with the Board of Review Clerk within the first 2 hours of the Board of Review's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days. The Board of Review may require objections to the amount or valuation of property to be submitted on forms approved by the Wisconsin Department of Revenue, and the Board of Review shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board of Review in support of the objections and made full disclosure before the Board of Review, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.
4. When appearing before the Board of Review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information used to arrive at that estimate.
5. No person may appear before the Board of Review, testify to the Board of Review by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless no later than 7 days before the first meeting of the Board of Review, the person supplies the assessor with all the information about income and expenses that the assessor requests, as specified in the Assessor's Manual under Wis. Stats. § 73.03(2a). The Town of Pine Valley has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided in this paragraph, unless a court determines that it is inaccurate, is not subject to the right of inspection and copying under Wis. Stat. §19.35(1).
6. The Board of Review shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, physician assistant, or advanced practice nurse prescriber certified under Wis. Stat. § 441.16(2) that confirms their illness or disability. No other persons may testify by telephone unless the Board of Review, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
7. No person may appear before the Board of Review, testify to the Board of Review by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the Board of Review, or at least 48 hours before the objection is heard if the objection is allowed under Wis. Stat. § 70.47(3)(a), that person provides notice to the Board of Review Clerk as to whether the person will ask for the removal of a member of the Board of Review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.
8. No person shall be allowed to appear before the Board of Review, to testify to the board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of the real or personal property being assessed.
