# AND GOD SAYS . . .

<sup>11</sup>Come, my children, listen to me; I will teach you the fear of the Lord.

<sup>12</sup>Whoever of you loves life and desires to see many good days,

<sup>13</sup>keep your tongue from evil and your lips from speaking lies.

<sup>14</sup>Turn from evil and do good; seek peace and pursue it.

<sup>15</sup>The eyes of the Lord are on the righteous and his ears are attentive to their cry; <sup>16</sup>the face of the Lord is against those who do evil, to cut off the memory of them from the earth. (Italics mine, Psalm 34:11-16 NIV)

Proverb 1:7 declares “*The fear of the Lord* is the beginning of knowledge, but fools despise wisdom and discipline” (Italics mine). In contrast with this truth, Psalm 14:1 reveals the character of those who do not fear Him. It says, “The fool says in his heart, ‘There is no God.’ They are corrupt, their deeds are vile; there is no one who does good.”

Psalm 34 emphasizes that God desires to bless those who fear His name. But when we have deliberately removed God from our culture and from our lives, it is no wonder that we now have so much corruption in our government leaders.

We have effectively eliminated God from our children’s education, substituting evolution for creation, prohibiting the display of the Ten Commandments from our classrooms, banning any expression of dependancy on God in prayer in our schools, removing godly heros from, or the mention of God’s involvement in human history, etc. Thus, we now have people who are the product of several generations who have grown up under the influence of this godless education who are leading our nation as fools (God’s description in Psalm 14 of those without, and even hostile to God).

But the greatest issue is not the welfare of our nation, as important as that is. The most important issue is the welfare of the people. God does not want people to have to suffer, to be at war, to be alone, to feel unwanted. That’s why God gives such strong warnings about evil and such great promises for those who will “fear Him.” “For God was pleased to have all his fullness dwell in [Jesus], . . . by making peace through his blood, shed on the cross” (Colossians 1:19-20).

**National Dairy Month is BIG for  
Wisconsin Dairy.**

**Dairy Farmers of America is building  
its in-state campaign around the  
following core messages.**

**Dairy is Good for You and for Wisconsin**

- Dairy foods provide a unique nutrient profile that helps people of all ages achieve greater health and wellness. **(Good for me)**
  - ~ Real dairy has immunity boosting nutrients like Vitamin A, Vitamin D, zinc and protein.
  - ~ Get after it with dairy. As a natural source of protein, dairy provides the pick me up you need to go all out.
- U.S. dairy farmers are committed to reducing their carbon footprint even further as part of the dairy industry's initiative to become carbon neutral or better by 2050. **(Good for planet)**
  - ~ Producing a gallon of milk has 19% less greenhouse gas emissions than it did in 2007. That's equivalent to the amount of carbon dioxide removed from the atmosphere by half a million acres of U.S. Forest every year.
- Wisconsin dairy farmers have dedicated their lives to feeding communities across the state, country and globe. **(Good for community)**
  - ~ 95% of Wisconsin dairy farms are family owned.
