## AND GOD SAYS . . .

I came across this cartoon that I had in my file. It depicts President Gerald Ford carrying a file saying “RIP,” riding on an up escalator going to heaven and Saddam Hussein with his “RIP” file riding on a down escalator, cursing, obviously going to hell. While the cartoon is obviously reflecting on the character of each of the men, revealed by their actions in life, it also depicts a popular view of eternity— that good people go to heaven and bad people do not. The problem is that just because the view is popular, it does not make it right.  
**Truth is not based on a majority vote.**

Linus, in the comic strip Peanuts, believes in the Great Pumpkin, but that does not make the Great Pumpkin real. Actually, truth is truth, whether anyone believes it or not. For example, it is true that cleanliness helps prevent the spread of disease. Yet it was not too many years ago that even doctors scorned the idea of washing their hands between patients exams— it was considered a waste of their valuable time. In fact, a few centuries ago, it was even considered sinful to take a bath and, believe it or not, that is where the tradition came for a bride to carry flowers in her wedding. It was to mask the body odor from not bathing. But I digress.

In the same way, it is true that being good does not get us to heaven. The Bible teaches that only a completely righteous person can go to heaven and that means none of us qualifies— for we have all sinned (Romans 3:23). That is why Jesus, God’s Son, came into the world. He came, living a perfectly righteous life and thereby fulfilling all the law. Thus, when He died, he took upon Himself our death, our penalty for our sin, so that he could cover us with His righteousness.

But our salvation is not automatic. We must request it by admitting that God is right— we are exceedingly sinful and without hope in ourselves. We must then ask Jesus to cover us with His righteousness while removing our sin from us. So it is, that only those who put their faith in Jesus will go to heaven— and that’s the truth, believe it or not.

**Dairy is Good for You and for Wisconsin**

- Dairy foods provide a unique nutrient profile that helps people of all ages achieve greater health and wellness. **(Good for me)**
  - ~ Real dairy has immunity boosting nutrients like Vitamin A, Vitamin D, zinc and protein.
  - ~ Get after it with dairy. As a natural source of protein, dairy provides the pick me up you need to go all out.
- U.S. dairy farmers are committed to reducing their carbon footprint even further as part of the dairy industry's initiative to become carbon neutral or better by 2050. **(Good for planet)**
  - ~ Producing a gallon of milk has 19% less greenhouse gas emissions than it did in 2007. That's equivalent to the amount of carbon dioxide removed from the atmosphere by half a million acres of U.S. Forest every year.
- Wisconsin dairy farmers have dedicated their lives to feeding communities across the state, country and globe. **(Good for community)**
  - ~ 95% of Wisconsin dairy farms are family owned.

"POLLY"

Polly is the  
CCHS Pet of the Week!

SAVE A SHELTER PET!

Polly came to CCHS from another overcrowded Shelter in Texas. Polly is 14 weeks old and is a spayed female. She weighs about 22#. Polly is listed as a Mixed Breed, although she sure looks like she has some Yellow Lab mixed in there. Polly is a super pretty girl with a short-haired golden and white coat and warm brown eyes. Polly is a happy girl with a sweet personality and a loving disposition. She loves her toys and is ready for lots of playtime with her new family. She's also ready to learn all the things it takes to be a really good girl. If you're looking for a great new friend, please apply to adopt Polly today! You can submit your adoption application right on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Would you ever think that your old shoes could help CCHS pay for a well water pump? Well they can! Our team is participating in a fundraiser with [funds2orgs.com](http://funds2orgs.com). We are looking for community members to help us by collecting gently worn, used and new shoes. These shoes will help support our program as well as individuals in developing nations like Ghana, Haiti and Cambodia. Shoes can be dropped off at CCHS when we're open or can be left outside the front door at any time. CC Resale (815 Hewett St) in Neillsville is also a collection point and shoes can be left there between 9:30 am - 11:30 am on Saturday's. Thank you for helping!
