Clark County Humane Society's Pet of the Week

"AQUAMAN"

Aquaman is the CCHS Pet of the Week!

Superheroes have arrived at CCHS! Meet Aquaman, the CCHS Pet of the Week! Aquaman came to CCHS with his 7 super siblings from a local farm where there were too many puppies and they all needed new homes. He is 9 weeks old and weighs 6.9#. Aquaman is an Australian Cattle Dog, or Blue Heeler mix. He's pretty cute with a short-haired coat that is white, black and tan, with lots of gray speckles. He has pretty awesome ears, too, all the better to hear you with! Aquaman is sweet, friendly and playful. He loves to meet new people and is ready for lots of new adventures. At just 9 weeks old, he's young enough to learn lots of new things to grow up to be a super dog, too. He is looking forward to a new start with his new family! You can submit your adoption application for Aquaman on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!

AND GOD SAYS . . .

Set your minds on things above, not on earthly things Colossians 3:2

Things have changed radically for me. Recently my wife was diagnosed with kidney failure and put on dialysis. Shortly after that I suffered a stroke, was hospitalized and am now in rehab in the hospital.

After being initially admitted to the hospital I was sitting in my room looking out the window. The thing that stood out to me was a large construction dumpster sitting at the end of the parking lot. Beyond that was a tall row of evergreen trees, lush and green. As I looked at that scene I realized I can focus on the dumpster or on the trees. It is my choice and that choice will determine my attitude and outlook toward the events that are happening.

I can choose to stay focused on the dumpster and all the garbage that is being dumped in there and be dissullioned and depressed or I can focus on the trees full of life and beauty and be thankful.

As I thought about this I thought about other practical applications. I realized that the dumpster was the nearest thing to me and right in my line of sight just like my circumstances. To me this represent the "earthly things." But the trees that are beyond the dumpster represent "the things that are above".

The dumpster is there temporarily to be moved away in a short time when no longer needed. But the trees are permanently planted in the ground for years to come. In similiar fashion The Heavens will disappear... and the elements will be destroyed by fire... But in keeping with [God's] promise we are looking forward to a new heaven and a new earth, The home of righteousness. II Peter 3:10, 14
