AND GOD SAYS . . .

O Lord, what is man that you care for him, the son of man that you think of him? Man is like a breath; his days are like a fleeting shadow. Psalm 144:3-4

We certainly do a fine job of displaying our pride, don't we? I mean, we think we can control the climate, the economy, establish peace, form a civil and moral society, heal all diseases, and even rule the world. Yet, when things go wrong, it always seems to be someone else's fault. We blame the deplorables, other nationalities, the other political party, other religions, greed, poor management of carbon fuels, not enough government handouts, poor education, or even God. It is strange to me that we think God should answer to us as we blame him for all our difficulties and allowing all these problems, even though we refuse to answer to him or even believe he exists. How arrogant we have become.

Yet David, the great king of Israel, puts everything in perspective. He asks, "[W]hat is man that [God] should care for us" or even give a passing thought to us? David realizes that compared to God and eternity, we are nothing more than a breath, and our whole life is nothing more than a shadow, as of a bird, passing overhead. I mean, do you stop during your day to think about breathing or concern yourself with a passing shadow?

Yet, amazing as it is, God is constantly looking for those He can reward and bless (2 Chronicles 16:9). You ask, why should He do that if David's ideas are right? Good question. It all has to do with who God is and really nothing about who we are. God loves us because, by nature, God is a God of love. Because God is a God of love, He is gracious to us. He loves us even though there is no reason to love us, except He has chosen to do so.

But there is a caveat. He has chosen to extend His grace for eternal life only to those who will humble themselves by loving His Son, Jesus. Those who refuse to do so, to continue in their pride, He will not acknowledge knowing them and they will forever be cast into eternal death.

Make no mistake about it, God has with great and unreserved grace, chosen to make every provision for your future happiness. It is now up to you, what do you chose to do about it.

For comments, concerns or questions call 715-284-2351.

Clark County Humane Society's Pet of the Week

"TOBY"

Toby is the CCHS Pet of the Week!

Toby came to CCHS with his brother from a local farm where there were too many puppies to care for. He is 13 weeks old with an estimated date of birth of 6/3/24. He weighs 16.2#. Toby is handsome with a short-haired coat that is white and black with gray and tan speckles. He is so cute with "one ear up and one ear down"! Being a Heeler mix, Toby is a smart little guy and ready to learn everything it takes to grow up to be a good dog. He has now been neutered, vaccinated, microchipped, and dewormed. Toby is cute and sweet and loves being around people. He is ready to find his new forever family any time! You can submit your adoption application for Toby on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.
